Block 1: Intro and Validation

INTRODUCTION: Your participation in this study is completely voluntary. You may skip any question that you do not wish to answer. However, your participation is important because it helps researchers understand how people perceive changes in the Detroit area, and this information can be used to inform policy decisions affecting the area. When filling out this questionnaire, please remember there are no right or wrong answers, we are just interested in what you think. We take our promise of confidentiality very seriously. All of your answers will be kept strictly confidential. No personally identifying information will ever appear in any study report. If you find that you are disturbed by the content of any of the questions or if you have any questions about the study, please contact us at our toll-free number: 1-800-759-7947.
